## Heading to Hedding UMC in Barre, VT, or to Scotia, NY, in the next few weeks?

We hope you are! If so, you will be treated to a wonderful array of food, fun, information, song and praise. Our Emmaus Board has scheduled two regional events (Barre VT and Scotia NY). (See below for further details.) Arrive as close to 10:00 AM at either or both events, enjoy a complimentary brunch, reconnoiter a little, and sing a lot, while praising the Lord the whole time.

Afterwards, you'll be on your way home renewed to rake the yard and plant flowers, with plenty of daylight to spare. Please bring friends, your family, your church family, anyone who you ever thought of inviting as a pilgrim to one of our Walk to Emmaus Retreats (the next ones are this fall at the Hudson Falls Methodist Church), or someone who is just plain curious. See you there!

# ***A Message from our Community Lay Director***

by Carla Snyder (Walk #84)

The Board is looking forward to seeing you at the Barre and Scotia Spring Renewal events. Two wonderful Lay Directors for the Fall Walks (who will be announced at the events) are hard at work assembling their teams and making plans for their first meetings. God is good!

Before Easter I was reading a book by Ken Gire where he is talking about the thief on the cross forgiven by Jesus, and then Ken offers the following reflection on his (our) need for forgiveness. I found it very powerful and would like to share a portion of it with you:

*For I too have stolen much. When I have gossiped, I have taken from another's reputation, and in the process robbed from my own. When I have raised my voice in anger, I have taken something away from peace. When I have hurt someone's feelings, I have taken something from that person's self-worth, something which might never be replaced, something for which I might never be able to make restitution. When I have spoken the truth, but not in love, I have stolen from your kingdom by pushing a soul not closer, but farther away from the borders of paradise.*
