## WHAT IS THE ADVENTURERS LEADERSHIP ACADEMY?

While the Church of England uses the language of pioneering, we have chosen to use the language of adventurer. Adventurers are: "people called by God who are the first to see and creatively respond to the Holy Spirit's initiatives with those outside the church; gathering others around them as they seek to establish a new contextual Christian community." The Adventurers Leadership Academy will equip lay, licensed and ordained adventurers to cultivate Fresh Expressions of Church and other forms of innovative ministry in their unique contexts throughout the pan-Methodist connectional family. Working in collaboration with an international team of scholars, pastors, missional strategists and coaches, the academy values practice-focused learning, personal reflection, individualized coaching and mentoring and collaborative conversation.
