

Submit Committee Hearing Testimony

The ability for you to submit written testimony to a committee that is accepting written testimony requires you to create a MyLeg account with the General Court. This new feature was added due to the circumstances surrounding COVID-19 outbreak. There are a few things to be mindful of:

- Go to <https://malegislature.gov/MyLegislature/About> and register for MyLegislature
- In addition to be able to submit written testimony, you will be able to:
 - Follow a bill or hearing for easy access to details on them through your MyLegislature Dashboard
 - Be notified of scheduling changes for hearings that you are following
 - Follow your legislators for easy access to their contact information, bills, and committee memberships.
 - Get suggestions on what bills could be relevant to you based on your interests and where you live
 - Earn badges for exploring the Legislature
 - View your previously submitted testimony

Your MyLegislature Dashboard:

- This page will list any hearing where the ability to accept written testimony is turned on
