

# Illinois District Optimist Land of Lincoln Bulletin

December 2025

Hello Illinois Optimist Friends!

I could not be more excited or more honored to step into the position of 2025-26 District Governor. My predecessors have provided me with a high quality of content and inspiration that fits like a glove with the actionable ideas I have learned in training.

Illinois has some incredible people, doing amazing things for our youth. We are well recognized for the Youth Golf Tournaments, Basketball Tournaments, Community Fests, Holiday Fests, Food Trucks, Ice Cream Socials, Public Servant Recognition, STEM instruction, clothing drives, Scholarship Contests, Youth Leadership Opportunities and a high quality of volunteerism to name a few. What's not to like?

For example, our very own Highland Club, passed a rigorous evaluation to be named the BEST club in all of Optimist International. Considering that OI Covers over 25 countries and regions, that is some feat! Congratulations to the dedicated leadership and committees of the Highland Club. Your leadership in so many programs and activities makes you Rock-Stars to the youth of Highland.

Never forget our smaller but mighty clubs. In ways you can see, and in ways you may never see, you all are making the future better by providing fun, hope and a positive vision to our youth. You are so appreciated!

We've taken surveys and training. Now that we know what's wanted, let's go! The five goals that we have established for this year are:

**Goal 1- Continue to improve Communication:** We will work on improving communication by a variety of means including FaceBook, Zoom, text and a new YouTube channel which we encourage clubs to post.

**Goal 2- Marketing:** We will share and assist with press releases, and toot our own horns about the optimist opportunities.

**Goal 3- Finance:** We will expand the grant program from once to twice a year (January and August)

**Goal 4- Personal development:** I would like to suggest that those interested join our district study group on Jim Kwik's *LIMITLESS*. This book is a true story about a brain-injured young man who created success methods to work around his severely adverse conditions.

**Goal- 5 Membership Retention and Growth:** If 1-4 are even partially executed we should achieve our Goal for 2025-26 of 2 net new members per club. ***We are already on our way to membership growth as the IL District is #2 in all of Optimist International in 1st quarter 2026 membership gain! Way to go IL District!***

Please watch for email, text and social media messages from the district that we hope you will read and share.

I hope you had a blessed Merry Christmas and will have the most optimistic New Year.

Yours in Optimism

# Optimist International Grants are waiting for you to apply!

The Optimist International Foundation (OIF) offers two types of grants to Optimist clubs – Club Grants (more information about that will be available in January 2026) and Childhood Health & Wellness Grants.

This email is being sent to Club Foundation Reps and Club Presidents to share information about the Childhood Health & Wellness grants and to encourage your Optimist club to apply for one of these grants.

You can find the application for Childhood Health & Wellness Grants, as well as directions for completing the grant application, at these links:

[https://www.oifoundation.org/downloads/Childhood\\_Health\\_Wellness\\_Grant\\_Application\\_Fillable.pdf](https://www.oifoundation.org/downloads/Childhood_Health_Wellness_Grant_Application_Fillable.pdf)

<https://www.oifoundation.org/downloads/CHW%20Grant%20Application%20Directions.pdf>

Here are some important things for your club to remember as you consider a project for this grant:

- The application deadline for the first round of these grants this Optimist year is January 30, 2026.
- These are matching grants and can be for \$250-\$1000.
- These grants can be for new or ongoing projects of your Optimist Club.
- There are four focus areas for these grants, with a lot of flexibility as to how projects fit in these categories:
  - Healthy Lifestyles
  - Chronic Diseases
  - Mental Health
  - Disabilities – Physical, Intellectual & Developmental
- Your grant will score better when you have a larger percentage of your members actively involved in the project.
- The project must be completed within one year of when a grant is awarded.

Now is the time for your club to be looking at your projects and deciding how one of them meets the grant requirements. Then fill out your application and bring some of the OIF's money back to your community and your youth. Good luck!

If you have questions, you can reach out to me or you can contact OIF directly at [info@oifoundation.org](mailto:info@oifoundation.org).
