

Illinois District Optimist

Land of Lincoln Bulletin

February 2025

Hello, Illinois District Optimists!

I hope this finds you well and that you are enjoying this Winter time of year.

We are already approaching the halfway point of our Optimist year and we have gotten off to a great start!

I would like to personally thank those that have made the time to attend our October and January Conferences! I hope you enjoyed the Friday Evening Hospitality gatherings and I hope you have had the opportunity to take new ideas, concepts and activities back to your club members!

Our October Conference featured presentations from Sandy Doyle, VP for the Middle America Region, Nancy Roach-Wilder, Governor – Elect, Sam Meier, Oratorical Contest Chair, Ron Elvin, Essay Contest Chair and Charles Mayhew, Poster Contest Chair.

In staying with my theme of “Strong Members Build Strong Clubs and Strong Clubs Build A Strong District” we have been able to focus on Member Reflection at our October Conference and our January Conference with a focus on Club Reflection.

Also at our January Conference, we heard from Sandi Schmidt on OI Grants and District Grants, James Patrick Schmidt on maneuvering the OI and Optimist Leaders Websites and Nancy Roach-Wilder presented on “Ready, Set, Connect.”

Our April Conference will be April 11 and 12 at the Holiday Inn and Suites in East Peoria. This 3rd Quarter Conference is my favorite of the year because it showcases some of our brightest and most talented youth in the State with our Oratorical Contest, Essay Contest and Poster Contest. If you have not had the opportunity to attend a conference this year, this is the one to be at!

Please consider sharing your thoughts and ideas on topics for presentations at conferences or volunteer to make a presentation yourself on a topic that you think others may enjoy and learn from.

Thank you for all that you do as an Optimist! Together, we can continue to build stronger members, stronger clubs and a stronger District. Please feel free to contact me with any questions, concerns or suggestions. mscappel5321@gmail.com (note this is a NEW email and should be used for all email communications). You can always call or text me at 618-401-0993

Sincerely,

Mark

From the IL District Membership Engagement Chair

To date, only 4 Illinois District Optimist Clubs have signed up for the SS. Optimism International Cruise Contest. There's still time to participate in the 2nd, 3rd and 4th quarter contests so get your club signed up **TODAY!**

The **SS. Optimism International Cruise Contest** sponsored by OI that can reward you in **CASH** for getting new members in this club year. Information was sent out in the October 15 "Newsday Tuesday" email to all clubs. Here are the terms and conditions for the contest:

- Clubs must "Opt-in" to participate. (The opt -in link was in the Newsday Tuesday's email sent October 15 to all club officers) Clubs remain enrolled in the incentive for the full Optimist year once they have opted in. The Club can opt in to join the incentive cruise at any time.
- There will be a drawing at the end of each quarter.
- Club's name is entered into drawing for every member past their NET Oct. 1, 2024, roster. Example: Club starts Oct. 1 with 50 members. On December 31, the Club has 57 members. Club will have seven entries into the drawing for this quarter.
- Clubs' names can be drawn more than once. If Clubs are working hard to retain members and bring in new members, they should have more chances to win.
- Each Quarter starts new. The Club baseline remains at their Oct. 1, 2024, roster. This should encourage Clubs to retain members.
- The following, 2nd, 3rd and 4th quarter ports of call will be at the end of each quarter. Example: Club beginning roster on Oct. was 50, December 31 was 52 and March 31 roster was 53. One entry in the first quarter, two entries in the 2nd quarter and 3 entries into the 3rd quarter drawing.
- 1st Quarter: One drawing for \$250.00
- 2nd Quarter: Two drawings for \$250.00 each
- 3rd Quarter: Three drawings for \$250.00 each
- 4th Quarter: Four drawings for \$250.00 each

If you have any questions about the contest or need more new member supplies (new member welcome cards, new member pins and bookmarks) please contact me.

Moline Breakfast Optimist Club Helps Christmas Shine a Little Brighter!

The holidays shone a little brighter for lots of Quad Cities children, thanks to the efforts of the Moline Breakfast Optimist Club!

The 24th year of our annual Coats and Shoes project provided new coats, shoes, hats and gloves to 55 children at the Jefferson Early Learning Center in Moline. We provided those items, plus a shirt, pants and socks to 114 children in the Project Now Head Start pre-school program.

We kicked the party off with Optimist members shopping with the teachers from Head Start. We filled up several shopping carts, as we worked to coordinate the best ensemble for each of the children.

Delivery day at one of the Head Start locations was a lot of fun. And thanks to our partnership with Project Now, we were able to get some great publicity for this club-favorite project! [Project Now Coats and Shoes](#)

Marty Schmidt entertained the students by reading Pete the Cat's I Love My White Shoes as we waited for the event to begin.

Ron LaShomb and Lynn Segura assisted the students in putting on their new shoes and coats.

Label on each gift bag given to the students

Next stop Jefferson Early Learning Center, where we saw lots of smiles on the faces of the children and the Optimist members who were helping them put on their new shoes.

And it just wouldn't be Christmas without the Happy Joe's Christmas Party for special needs youth. Four parties held over two days; pizza, pop and ice cream served to about 1400 youth; dancing with Happy the Dog and more smiles than you can imagine. Breakfast Optimist Club members help get the students off their buses so they can come inside and enjoy the fun!

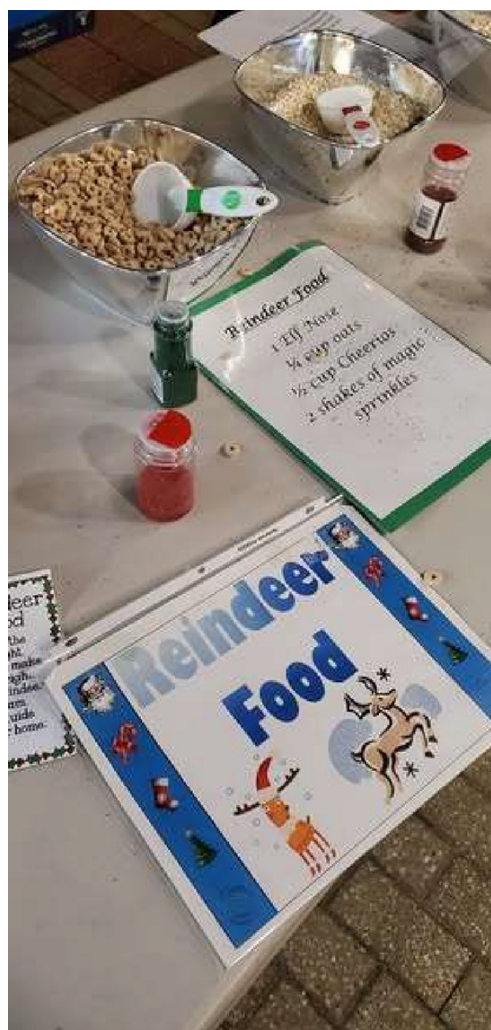

2024 Alton Area Optimists First Responder's Recognition Dinner

The Alton Area Optimists were proud to recognize and present awards to several honorees, including Officer Allen Averbeck from the Alton Police Department, Detective Sergeant Andy Johnson from the Madison County Sheriff's Office, and multiple members of the Alton and Godfrey fire departments. The recipients included Captain Donald Holliday, Engineer Matthew Halliday, Captain Todd Sissom, Engineer Matthew Picos, and Firefighter Steven Lipski from the Alton Fire Department, along with Firefighter Monty Hawkins from the Godfrey Fire Protection District.

The Alton Area Optimists had a wonderful experience helping children in creating reindeer food and ornaments at the Godfrey Snowflake Festival. December 6th 2024.
