

Located in the heart of downtown State College, Pennsylvania, St. Paul's Christian Preschool is now enrolling for Fall 2020.

We accept PSU Subsidy, Pre-k Counts, and ELRC funding. Spots are available in our 3-5 year old classrooms. We are offering three academic options:

1. In-classroom learning.
2. Live/recorded lessons with Pre-K Counts teachers. SPCP will provide learning supplies and home visits.
3. A written remote learning plan. This program will include written remote lesson plans, material packets, activity suggestions, instructional materials, and home visits.

Pre-K Counts is free to qualifying families. Contact Andrea at 814-237-1245 for a tour or email alies@stpaulsc.org.
