## WHO SHOULD ATTEND:

This 1 day session will be of interest to all employees

## WHAT WILL BE COVERED:

This workshop introduces a basic knowledge of the world views, spiritual and cultural values of Indigenous peoples, highlights historical and contemporary issues that influence Indigenous peoples, and honors the rich diversities within Indigenous communities.

As a result of attending this workshop participants will:

- Increase awareness and understanding of Indigenous cultures in a health care setting
- Increase ability to provide culturally competent and proficient care
- Acquire new knowledge/tools to build a culturally respectful workplace
