

CAMP WEEKEND MAY 31 - JUNE 2/24

Camp weekend has come and gone. We had 43 Campers attend and the Volunteer compliment was full at 30. The campers enjoyed decent weather during camp, even though rain prior to camp this year saw that the grounds were pretty wet and soggy.

They enjoyed Ziplining, Archery, Fire and Bannock, as well as our memory activities. We were also delighted to have an indigenous drum instructor "Ko'ona Saber" join us on Saturday and she captivated her audience.
