

Campus Cuisine

Lunches delivered fresh from local restaurants for over 24 years.

Welcome to Campus Cuisine! Please follow the steps below to register and order Campus Cuisine lunches.

1. Sign in or Register at <https://www.campuscuisine.net> with the access code **OLMC317**.
2. Click Students to add or edit them. Grades must be updated every new school year!
3. Click Order lunches on the student profile. The deadline to order or modify lunches is 12:00 PM ET the day before. If your child gets sick after that, please email or call before 8:00 AM the day of the order.
4. View options for Monday or click the arrow to view other weekday options.
5. Enter a quantity for each menu item that you wish to order and check at least one date. Then click add to cart. Repeat for each student.
6. When you are finished, click your cart and click checkout.
7. Payment can be made via PayPal, Amazon Pay, Apple Pay or by entering your credit card. If you click to apply a credit, be sure to submit the payment, even if it is \$0, since the credit will be removed from your account at that time.
8. Click “Calendar” to see your upcoming lunches. Alternatively, you may click “Lunch List” and enter a student or day of the week in the search bar to view lunches in chronological order by date.
9. To change or cancel lunches, click “Calendar”, select a lunch and click “cancel”. You may also click “Lunch List” and “delete”. You will receive a credit that can be applied to your next purchase. Credits must be used to purchase other lunches, are not refundable and expire in June.
10. In case of snow days, Campus Cuisine will cancel lunches and issue account credits.
