Catholic Schools of Hamilton County

2022-23 SCHOOL YEAR REGIONAL COVID PLAN

The Catholic schools of Hamilton County continue to collaborate on safety measures and we want to communicate COVID protocols that will be in place to start the 2022-2023 school year. We will continue to look to the state and local health departments for guidance on matters of public health as it pertains to schools.

- Masking is optional.
- Students and parents should consult the school nurse if they are experiencing symptoms.
- The decision to test for COVID remains with the family.
- Students who test positive must stay home for a minimum of five days from the onset of symptoms.
- Masking is recommended on days 6-10 after a positive case but not required.
- We will not contact trace positive cases in school.

Thank you for choosing Catholic education and partnering with us. May we continue to pray as a community for a safe and healthy school year.
