## Give Kids A Smile

The Give Kids A Smile® (GKAS) program, launched nationally in 2003, provides underserved children with free oral health care. Each year approximately 6,500 dentists and 30,000 dental team members volunteer at local GKAS events to provide free oral health education, screenings, preventive and restorative treatment to over 300,000 children.

GKAS events kick off annually on the first Friday in February, which is Give Kids A Smile Day. GKAS events are held throughout the year.

To-date, over 6 million underserved children have received free oral health services through the GKAS program.

**First Impressions Family Dental Care** and **Growing Grins** will provide **FREE** dental care for uninsured children. By appointment ONLY.
