

# Volunteer Spotlight on Tracy Dorsel

We would like to thank Tracy for all of her time that she gives to help our school and community. Over the years, Tracy has coached her kids' volleyball and basketball teams. Last year, prior to COVID, she managed the playground equipment and ball cart for recess. When her kids were younger, she taught Children's Faith Formation.

Tracy also said, "I've had the pleasure of being a "Copy Mom" on Thursdays; making copies for the teachers and helping with whatever pre-work the teachers needed for the school day."

Outside of school, Tracy works for Eli Lilly and had the opportunity to volunteer for the Lilly COVID testing call center.

We asked Tracy some questions to get to know her better:

## **Why do you volunteer at our school?**

I volunteer because I want to give back to the OLMC community.

## **What's your favorite part of being a volunteer?**

My favorite part of volunteering is getting to know the teachers and students.

## **Do you have a favorite or funny memory from volunteering?**

For coaching, I like to talk to the kids about a different virtue each week, courtesy of [sportsleader.org](https://sportsleader.org)

## **One thing that would surprise someone to learn about me is....**

I want to hike the Camino de Santiago (known in English as the Way of St. James, it's a pilgrimage leading to the shrine of the apostle Saint James in northwestern Spain).

## **What is your favorite thing about OLMC school?**

I'm grateful to have my kids attend a Christ centered educational community and for the amazing teachers, sisters, priests and staff.
