

Volunteer Spotlight on Sarah French

We would like to thank Sarah for all of her hard work and time that she gives to help our school and community. Just some of the areas Sarah has helped with include: Room parent, Yearbook Co- Chair and Dining Fundraiser. Sarah is always there to help no matter what the task and we are blessed to have her as part of our community and school.

Outside of school, Sarah has been the Little Flowers Girls Club Leader for many years.

We asked Sarah some questions to get to know her better:

Why do you volunteer at our school?

I love being a part of the community that OLMC provides!

What's your favorite part of being a volunteer?

Getting to see my kids and all their friends!

Do you have a favorite or funny memory from volunteering?

My favorite memory is being a room mom in 2nd grade! So many fun memories that year – Pumpkin Elf, Polar Express and First Communion! My funniest memory I have is our adventure we had as room moms for the Pumpkin Elf! Dragging huge boxes of pumpkins down a hallway trying not to be seen was challenging and hysterical!

One thing that would surprise someone to learn about me is....

I graduated from the University of Kansas with a Bachelor of Science in Education with an emphasis in Sports Management. I interned with The Kansas City T-Bones (Independent League Baseball) and was hired after graduation to work in operations to manage all the game day staff.

What is your favorite thing about OLMC school?

The amazing administration, teachers and community!

Any Pets: Hopefully soon! We've lost all 3 of our dogs in the last 5 years, so we're looking to add a puppy to our family in the spring!

If Sarah could travel anywhere where would she go: Italy, but I'm afraid to fly, so that will probably never happen!

Life advice Sarah would give: What I always tell my kids... Always stay humble and kind (Thanks Tim McGraw)!
