

# Volunteer Spotlight on Haley Clark

We would like to thank Haley for all of her time that she gives to help our school and community. Haley has served as a MOMs leader, Little Flower director and is the co/chair for the landscape committee. She also helps with teacher luncheons, school tours, is the administrator for the Raider Parents Facebook page, and coaches volleyball and soccer.

Outside of school, Haley helps coordinate games at the Parish Food Truck Festival, she volunteers for donuts and coffee and also helps with VBS.

We asked Haley some questions to get to know her better:

**Why do you volunteer at our school?**

I first started out volunteering for things because my oldest child would only participate in events if I stayed with her. Now I continue to help however I can because it really takes a village and I'm grateful for all of the opportunities OLMC provides.

**What's your favorite part of being a volunteer?**

Building friendships and community with other parents as well as being around the students.

**Do you have a favorite or funny memory from volunteering?**

I love hearing all of the really original, funny jokes at lunchtime :)

**One thing that would surprise someone to learn about me is....**

I love to sing and dance. I dance and sing around my house all the time. My kids and husband think I'm nuts most of the time but I love it!

**What is your favorite thing about OLMC school?**

The community and faith filled atmosphere.
