

Dear OLMC Parents and PTO,

Thank you SO much for giving money over the years to support OLMC PTO. With your help, the PTO kindly made a generous donation to fund OLMC's Chromebook Lab. We could not have done this without your support! This will allow the students to work collaboratively as 21st century learners at ease. Utilizing Google Classroom with the Chromebooks will save my sanity prepping for lessons. No longer will I have to make copies of a document seventy-five times. Now, it will be done with one click of a button. I could go on and on about how grateful I am. I'm so blessed and most importantly, the students are blessed to have such wonderful and loving parents who support their best learning experiences. Our Lady of Mount Carmel would not be the same without your dedication and support. From the bottom of my heart, THANK YOU!

God Bless,

Pam Malone
