

Volunteer Spotlight on Sarah Sansone

We would like to thank Sarah for all of her time that she gives to help our school and community.

Over the years, Sarah has worn and continues to wear many many hats at OLMC , Movie Night Chair, Room Mom, St. Nick's Visit, Faith Rally music, Little Flowers Leader and Cheer Coach.

Outside of school, since Sarah continues to help out in so many areas of our community; Music Ministry, Mary's Way Planning Committee, Merciful Help Volunteer, YDisciple Leader and Guerin Advancement Committee are just a few of these areas.

Sarah is truly a blessing to our school and community.

We asked Sarah some questions to get to know her better:

Why do you volunteer at our school?

I love kids and I love sharing my faith with them.

What's your favorite part of being a volunteer?

Getting to see the kids and feel connected to the school and its mission.

Do you have a favorite or funny memory from volunteering?

My favorite memory is probably when I was at movie night for K-2 and the kids were getting a little squirrelly (understatement) I led them in Simon Says to get some energy out and then later when we needed the Parish Hall cleaned up I told them I'd do a magic trick and I turned them all into vacuum cleaners. It was awesome seeing how serious they were about picking up the trash. It was so sweet. I also really love singing for the Faith Rally and seeing how prayerful and reverent they all are. It is such a gift!

One thing that would surprise someone to learn about me is....

When I'm feeling really silly I make up songs in a Broadway Musical fashion about things like what's for dinner or how hard their homework is or when I need them to put on their shoes and it drives them crazy. I do it because my Dad made up goofy rhymes (and I was so annoyed at the time) but it's what I most remember about childhood. It helps me not take things so seriously which I also have a tendency to do.

What is your favorite thing about OLMC school?

My favorite thing is definitely the community and knowing that we all share a common goal of raising kids with virtue.
