

Hello Animal Welfare Lovers!

Are you passionate about animals and looking for a meaningful way to make a difference in their lives? The Animal Welfare League (AWL) is seeking new volunteers to join our team and help us with our cat care program in local pet stores, dog walking, and morning cat care at the shelter.

Our cat care program in local pet stores is vital in ensuring that our feline friends receive the care and attention they need while waiting for their forever homes. Volunteers assist with feeding, cleaning, and providing enrichment for the cats, as well as engaging with potential adopters and answering questions about our organization.

Dog walking is a crucial part of our dog enrichment program, as it provides our dogs with exercise, socialization, and mental stimulation. Volunteers take our dogs for walks, play with them, and provide basic training to help them become more adoptable.

Our morning cat care at the shelter is a fundamental part of our daily operations. Volunteers assist with feeding, cleaning, and providing medication to our resident cats, ensuring that they start their day off on the right paw.

No previous experience is necessary, as training will be provided. All you need is a genuine love for animals, a willingness to learn, and a commitment to making a positive impact in their lives.

If you're interested in becoming a volunteer for AWL and making a difference in the lives of animals in need, please reach out to us at [insert contact information] or visit our website at [insert website link]. Together, we can create a better world for animals and provide them with the love and care they deserve.

Join us at AWL and be a hero for our furry friends! Thank you for your support.

Sincerely,  
Lisa Voss,  
Manager of Volunteer Programs
