## Bill Fredricks

*6-9PM*

Bill Fredericks, with his fabulous voice, piano & organ, returns with some easy listening songs from our past. He began playing music by ear, at the age of three. Throughout his life, he played numerous instruments, especially the piano. He considers himself an all natural and self taught, life long musician. Fredericks enjoys people, and seeing them smile. It brings him a smile to see people entertained and enjoying themselves. Fredericks performs in the local area these days. You will find him at The Grill At 1951 most Fridays. Come out to the show!

**Saturday - December 24th**

**Tony Boffa**

(performs most Saturdays)

**6-9PM**

Tony Boffa returns solo. Once you see him perform, you'll see why he has such a following. Tony Boffa knew at age fifteen, that music would be his life. As Boffa put recently, "I come from a world of Jazz with the understanding that Jazz means many different things to many different people." According to Boffa, "Jazz is not a song, it's a process." The repertoire for Boffa's jazz performances are familiar and fun! They feature the Great American songbook and creative renditions of popular tunes. Meet the other band members along with Tony tonight, including Jay Heavilin on the upright bass, Tony Antonio on the drums, and Tim Goodman on the piano. Join us for the show!
