
21/22 SEASON: PUNTA GORDA SYMPHONY RETURNS TO THE STAGE!

We have **good news** about our 21/22 Season -- and you are among the first to know!

It has just been confirmed that our home venue at the CPAC will be returning to **normal operations** -- which means no mask policies and no enforced social distancing. We are thrilled!

Punta Gorda Symphony is returning to a glorious 70-musician orchestra, and Maestro Ponti is programming for a lush and exciting return to the concert hall.

WHAT'S NEW:

- Maestro Ponti's stimulating *Behind the Notes* programs will resume in the FSW auditorium each Friday prior to a concert weekend.
- Our season-closing concert on April 24 will be held at the Charlotte Harbor Event Center to accommodate a celebratory *fête*.
- Responding to the popularity of our recent outdoor concerts, we are adding a chamber music series at outdoor venues around town.

WHAT TO EXPECT:

- You can expect subscription renewals to begin in August, followed by new subscriptions then single ticket sales. Look for your brochure in the mail, and stay in the know via email and Facebook.
- If you held a 19/20 subscription, you will have first right of refusal to those same seats regardless of whether you renewed them for last year's canceled 20/21 subscription. Seat change requests will be duly noted and processed after renewals are completed.
- If you still have funds on account with us, you may apply them to the purchase of any 21/22 tickets and/or to a charitable gift.

Thank you for staying connected and for being ours! Look for details in August along with a complete 21/22 Season brochure. **We can't wait to share it all with you!**
