

CHAMBER MEMBER SPECIAL

Here at WCXS we want to help our fellow chamber members by broadcasting information about their business to the public. What better way to do this than with your local radio station? Radio is still the king of all media outlets, and our stations will allow you to reach outside of the county to a new client base as well. WCXS reaches over 200,000 homes here in SW Florida. If you also chose to advertise on our sister station WENG, you have the potential to reach close to 500,000 homes.

WCXS is a small business as most of you are, so we understand the difficulties businesses are dealing with now. That's why we want to help. We have come up with these very cost-effective packages to help get the word out about your business. Please don't make the same mistake a lot of small-town businesses make by thinking everyone knows you. This is just not the case, but we can make that happen!
