

**LADIES AND GENTLEMEN...IT HAS  
ARRIVED!  
GULF THEATER SEASON 4  
2022-2023**

**Dear Gulf Theater Patron,**

I want to thank you so much for a terrific season in 2021-2022. So many sold-out shows, many season ticket packages, so much fun, camaraderie...certainly good times had by all.

You may not know this, but every dollar spent in ticket sales goes towards the Military Heritage Museum and all of its many programs, ranging from History Camp for local children to offsetting complimentary theater rentals for veterans organizations or organizations that support our cherished local veterans! **Please keep this in mind as you choose your entertainment for next season**, it all is for a wonderful and deserving cause.

I wanted to be sure that Season 4 topped it all and will it ever! I took the time to make sure that every group we brought in was the best of the best. **YOU DESERVE IT!** This year we have acts from all over, not just Florida, but Las Vegas, Nashville, North Carolina, and many more.

We are offering two different season ticket packages. The first one is a full pass to **ALL 23 shows** throughout the season, that package runs at \$749.99. A whopping savings of nearly \$300 if you were to purchase them all individually!

The second package is a Pick 10! You can choose 10 shows that you would like to attend during the season. This package runs at \$349.99, a savings of \$200!

Please take the time to watch the promo videos I have included for some of the shows, in order to get a glimpse of what the amazing Gulf Theater Season 4 will be like!

Again, from the bottom of my heart, thank you for being a loyal patron...it never goes unseen or forgotten!

**Isaac James, Gulf Theater Manager**
