The Kitt Moran Trio

Kitt Moran is unique among jazz singers. She has recorded with Don Sebesky, Teo Macero, Rosemary Clooney, John Pizzarelli, Jack Sheldon, Ron Carter, Toots Thielemanns, Harry Allen, Mel Lewis, Paulo Braga, and many more jazz greats. Besides that, Kitt Moran has sung with Michel Legrand, Burt Bacharach, Merv Griffin, Vic Damone and many other performers and creators of the Great American Songbook and the Jazz Standard repertoire. A favorite of the New York critics, Kitt Moran's captivating stage presence compliments her swinging musical and powerful dramatic abilities to create a must-see performance. She is now working from a home base on the suncoast of Florida. We hope you can attend one of her jazz concert performances or one of Kitt's intimate jazz cabaret shows. You will be delighted.
