# **ARCHway Hosts Punta Gorda Chamber Breakfast**

ARCHway is a proud member of the **Punta Gorda Chamber of Commerce!** On November 9th, ARCHway hosted a chamber breakfast at the Village Fish Market.

ARCHway's founders, **Dan and Jan Stuckey**, gave an update on ARCHway's national efforts, and they spent most of their time updating the group on issues related to substance use and mental health in the SWFL region and the programs that ARCHway will be providing in 2023 to combat these issues. There were **51** people in attendance. They've all been very supportive of ARCHway over the years, and it was a major surprise when this group donated **\$1,500**. **ARCHway was able to take this donation and immediately use it to provide a prevention grant to Drug Free Punta Gorda.** A special thanks to Sue Randall who is the owner of the Village Fish Market.

**There are a few days left to hit our goal and double our impact!** We are so close to raising \$15,000 to fund recovery. This \$15,000 will be matched by The Stuckey Family, Crickette Brown Glad, and The Ben Lucas Foundation. That's a total of \$30,000, and we only need about \$2,500 to get there!
