*Scholarship
Funding Needed!*

Please help us fund our History Camp for kids grades 4th through 8th. We have several children waiting on scholarship funding that would love to participate in this year's Military Heritage Museum's History Camp. The kids learn about the history and branches of the military, experience a flight simulator, virtual reality and much more.

The Museum utilizes a sliding scale to ensure all kids can participate in its youth programs, based on economic circumstances. On average a \$100 donation will cover the costs of one student for a full week of day camp.

For further information call Deb Nutting at 941.575.9002.

Bell UH-1H Huey

Temporarily Hosted by the

Military Heritage Museum

“As an icon of the Vietnam War and an angel of mercy for American troops who fought there, the Bell UH-1 Iroquois, affectionately known as the “Huey,” has gone on to become the most recognizable helicopter in the world. Fifty years after its birth, the Huey remains the only aircraft to be used by all branches of the United States military, including the Coast Guard. To American troops who were exposed to constant enemy fire, the Huey and those who flew them were angels from on high....” *Why UH-1 Iroquois “Huey” Helicopter Is Such an Icon of the Vietnam War*
