## The English Tea Fundraiser

*Was a Huge Success!*

This past Saturday, the PG Boat Club was filled with ladies dressed in colorful hats and fascinators, all looking forward to an enjoyable lunch with fellow tea lovers. Linen covered chairs and tables set with real china created a cozy and relaxing setting for conversation. Marie Ludvig entertained everyone with her presentation on the history of the tea cup.

Attendees were served salad, tea sandwiches, sweet scones, and desserts; all delicious and all homemade by the ladies of Boat Club.

Thanks to all who attended, and a special thanks to the amazing ladies of the Boat Club who made it happen and all who helped!

The proceeds will go towards the PGBC's mural "Boating in Paradise."

## PG Boat Club Mural "Boating In Paradise"

### We reached our Fundraising Goal!

Thanks to the many donors and sponsors of this mural, we are happy to report that all the funds have been raised for this project. Once again, the community has shown their strong support for the Society and the mural program.

THANK YOU!

And...

*the Mural Painting has begun*

Artist Keith Goodson has started painting this new mural and Panel 1 is now almost complete (see photo below). You might ask, "How is he doing this? I don't see him at the mural wall?" The mural is being painted on *mural cloth*. This technology allows the artist to paint the mural in his studio. The Society has used this technology on its last two murals.

For this mural, aluminum panels will be installed on the front exterior walls of the Punta Gorda Boat Club and then the painted mural cloth will be installed on the aluminum.

*Stayed tuned for more progress...*
