Pet Therapy Luncheon

Over the weekend we had a great time gathering with our Pet Therapy Team for a lovely luncheon. We had several therapy pups visiting with their humans, and there was lots of smiles and happy tails all around!

Suncoast Humane Society's Pet Therapy Team provides Animal visits for those in need.

This free community program has volunteer teams of humans and their canines or felines who visit health care facilities, schools and provide reading fun at local libraries.

Our pet therapy teams cover three counties and are dually evaluated under Suncoast Humane Society and the national program, Pet Partners.
