[ARCHway has been Shining a Light on Recovery this Summer!](#)

May and June marked our Igniting Hope Celebration where we highlighted the many people and organizations who work hard to forward the ARCHway mission. We celebrated our partners, board of directors, staff, volunteers, Advocates for HOPE, speakers, HOPE Fund sponsors, and Legacy of HOPE sponsors.

ARCHway has given over \$26,000 in grants to recovery-oriented systems of care to increase access to treatment and recovery resources for those

in need of financial support. The organizations in Florida that have benefited from an ARCHway grant include:

Oxford House Starfish - Cape Coral
Intracoastal Sober Living - Palm Beach County
Drug-Free Punta Gorda - Punta Gorda
Charlotte Behavioral Health Care - Punta Gorda
RYAN - Fort Myers
Harvest House - Sarasota

You can read more about the grants awarded throughout the 2nd quarter of 2021 by clicking [HERE](#).

But the summer is not over yet, and ARCHway has a lot of plans in this region moving forward! Keep reading for all the details.

[August Education & Awareness Event](#)

Join ARCHway on August 16th at 12 noon for a ZOOM event called “You are NOT Alone: Hope for those Caring for Loved Ones Struggling with Addictive Disorders.”

ARCHway knows that recovery from substance use disorders is possible, but we also know that it can be a long and difficult process to get there.

This process is a journey for the entire family.

Dan and Jan Stuckey, ARCHway’s co-founders, will be sharing their personal experience as parents of a child with opioid use disorder. By the end of the presentation, you will know that you are not alone in this and some steps you can take to take care of yourself.

As Caregiver Advocates for HOPE for ARCHway, Dan and Jan will share what it means to advocate for other caregivers on their journey through the recovery process.
