

December 2022

Our amazing Charlotte County community generously provided holiday presents for families and food and gift card donations to provide for special holiday meals. Each of you made the holidays brighter for survivor families at C.A.R.E. Thanks to each of you!

Our safe and secure shelter has been full of families all year. Close to two-thirds of our residents have been children. Survivors are looking forward to building new independent lives in 2023 and to live their lives free of torment. Would you be willing to contribute a special year-end gift to make sure that we are able to continue to provide services to women and men who have been traumatized?

A one-time or monthly gift provides direct healing services to the people who call and come to us for an opportunity to live free of violence and abuse. Any amount that is meaningful to you is an incredible gift in the spirit of kindness and respect. Donations may be made online at <https://carefl.org/giving/donate/>.

Every human being deserves to live in a peaceful home. Parents here at C.A.R.E. are looking to provide a safe and nurturing home for their families. You are the person who can make it a reality for our families.

YOU can change a life with your gift! We are grateful for the incredible support from our community and we wish each of you a peaceful Happy New Year!
