FERNANDO CASTRO AS FREDDIE MERCURY - LEGENDS

Fernando Castro is the first ever Freddie Mercury tribute artist to headline on the Las Vegas Strip.

Widely regarded & acclaimed as the only tribute act with the gift of Freddie's Voice, Mr. Castro embraces this blessing as a responsibility; to preserve his legacy and keep his spirit & music alive.

Born in the tropical city of Miami, Florida, he acquired a distinct musical flavor from the diverse cultural melting pot of its inhabitants. At the age of 11, Fernando's mother introduced him to the legendary musical compositions of Queen. The sheer magnetism of Freddie Mercury's voice transcended the space time continuum and vibrantly resonated within his young soul. His deep connection to Mercury had the fires within beckoning and thus he proclaimed to vigorously reignite the spark of divine flames of Mr. Fahrenheit himself!

Fernando Castro's Credits/Accolades that led him to Legends in Concert include but are not limited to:
