Newsom has been delighting audiences with the music of the incomparable Patsy Cline for years, and now her show features huge hits from other leading ladies of song, including Loretta Lynn, Reba McEntire, Dolly Parton, and Judy Garland.

You'll also hear songs from some of music's most famous male artists -- hits from the likes of Chuck Berry, Johnny Cash, and more will share the spotlight.

On top of all that phenomenal music, you'll be treated to one of the area's most beloved comedians, the king of Branson comedy, Mr. Terry Sanders!

For everyone who loves to hear her sing Patsy, C.J. Newsom's Classic Country & Comedy will still give Branson audiences the songs they love, including "Sweet Dreams," "Walkin' After Midnight," "She's Got You," "I Fall to Pieces," and the sensational song penned by the legendary Willie Nelson, "Crazy." And C.J.'s amazing vocals will be backed by one of Branson's best live bands! Don't miss out on this extravagant concert in Branson.
