"Love Grand Country's season pass. We have been members for 15 or 16 years. It's well worth the money since you can see all the shows and eat all the great food at the buffet. It's one of the best bargains in Branson." *Marcia Jackson Wiles Schuett*

A vibrant collage of 18 photographs showing various performers on stage during the Grand Jubilee event. The photos feature musicians playing instruments like violins, guitars, and keyboards, dancers in elaborate costumes, and comedians in various outfits. A large inflatable of the character Ghostbusters' Stay Puft Marshmallow Man is also visible. The collage is set against a red background with a white border.
