Job Role

Regional Lead/Golf Activator- Scotland

Introduction

Are you passionate about supporting people in community settings and interested in making a positive impact on the lives of others through supported golf initiatives?

We have an exciting opportunity for someone to undertake the role of coordination and development of Golf in Society services across Scotland, and to deliver our supported golf sessions where required.

At Golf in Society we specialise in transforming the lives of our ageing population by introducing them to the wonderful game of golf.

We have an exciting opportunity for someone to undertake the role of coordination and development of Golf in Society services across Scotland, and to deliver our supported golf sessions where required.

We are looking for a dedicated individual who will support the evolution of our existing Golf in Society groups across Scotland and help develop additional groups in new venues.

The ideal candidate:

- Health, social care, third sector/community or sports engagement, caring experience, sport coaching background.
- An active interest in engaging people in golf related activities.
- Currently working as a freelancer and/or seeking some additional work.
- Flexible lifestyle opportunity to use your expertise in a part-time role.
- Interested in sport, is kind and compassionate, patient and nurturing.
- Has excellent interpersonal skills and is a team player
- Enjoys working with older adults.

People - CGAs/volunteer buddies

- Recruitment of Community Golf Activators (CGAs) and volunteer buddies across Scottish venues.
- Deliver induction and provide ongoing training and support for CGAs and volunteers.
- Coordinate monthly volunteer availability/rota across different Scottish venues.

People - Golfers

- Recruit new golfers and engage with referral stakeholders and agencies across all Scottish venues.
- Identify support needs of golfers and engage with CGAs regarding support needs.
- Organise taster sessions and complete taster session evaluations.

Delivery

- Communicate and collaborate with golf venues and care homes about session delivery,
- Assessment of new/existing venues for indoor and outdoor facilities, social space, use of other facilities etc. and agree parameters for use.
- Identify processes for safety/risk assessment, emergency procedures and convey to CGAs and volunteers.
- Oversee the smooth running of weekly sessions in collaboration with CGAs and volunteers,
- Work in the capacity of CGA to deliver supported golf sessions if/where required.
- Develop family/carer wellbeing sessions across Scottish venues.
- Coordinate annual golf/family wellbeing event.
