CETP 1.0

PRC-009200 \$29.40 ea.

CETP Basic Principles and Practices of Propane offers an "entry level" course that provides pre-requisite instruction about propane's physical and combustion properties, how propane is produced and transported and will aid in preparing for NPGA's CETP certification.

DISPENSING PROPANE SAFELY

PRC-003510 \$9.00 ea.(CD/DVD)

A program details the many tasks associated with the safe and effective dispensing of propane into several types of propane cylinders and tanks.

Dispensing Propane Safely

FAMILY SAFETY BROCHURE

PRC-003121 \$6.25/pk (125)

Designed to assist marketers with duty-to-warn compliance, this brochure provides important consumer safety information including steps to take if you smell gas, odor fade, propane gas detectors, carbon monoxide safety, lighting of pilot lights and general appliance maintenance and safety tips.

PROPANE SAFETY BOOKLET

PRC-005606 \$6.25/pk (25)

The booklet is ideal for new propane customers, and is designed to assist marketers with duty-to-warn compliance.

GAS CHECK

PRC-009643 \$17.00/pk (200)

The updated Gas Check includes a text and video that illustrates the ways that technicians can properly document Gas Check Inspections.

PRC-009644 \$17.00/pk (200)

CETP 4.1

PRC-009401 \$42.00 ea.

An e-learning course, training manual, and instructor tools covering the procedure for designing a vapor distribution system.

UNSAFE APPLIANCE/COMPONENT TAG

PRC-000019

\$11.00/pk (50)

This orange warning tag is designed for use on service calls when an unsafe appliance or propane system component is encountered.

CETP 2.2

PRC-009210 \$29.40 ea.

Primarily designed to train employees who operate a bobtail, the most common vehicle used for transporting and delivering propane to individual customers, the course is updated to NFPA 54, 2015 edition and NFPA 58, 2014 edition.

NFPA 58

PRC-003004 \$72.83 ea.

Minimum requirements for safe handling during LP gas transfer, including operator qualifications, maximum filling quantity in containers, and pre-transfer inspections to ensure containers are fit for continued service

WARNING CALL TAG

PRC-000500

\$9.80/pk (50)

This warning tag can be used on service calls when an unsafe appliance or propane system component is encountered.
