

<b>Moatshe family</b>	Pakiso Fena Moatshe	12-01-2004	M	Not Schooling	<b>According to the biological mother the child concerned is no longer schooling, because he doesn't have vital documents e.g. birth certificate.</b> The child dropped out at grade 9. As a Social Auxiliary Worker I'm going to communicate with the school to place the child back. The case was referred to us and the investigation was done by Social Auxiliary Worker Nozigqibo Mbatha. The application of birth certificate is on process.
	Koketso Mosimanegape Moatshe	13-09-2005	M	Grade 7	The child concerned is getting school at Setholela Primary school. She is doing well at school, she also in need of the birth certificate which also in process. According to the school report the child is doing well, she passed all the school terms this year. <b>His case is also in process for an application of the birth certificate.</b>
	Papi Johannes Moatshe	8-11-2010	M	Grade 2	The child concerned is also schooling at Setholela Primary school. He also have one and the same problem. But the school is not yet chasing him away for the vital document. He also passed last year her grade 2. Even in this year his school performance is very good.
	Monica Moatshe	24-01-2013	F	Grade 1.	It's the first time of the child concerned at school, the biological mother reported that, the child is doing well at school and she also like school. The child concerned is at the same school with his brother at Setholela Primary school.
	Keitumetse Moatshe	14-04-2016	F	Not schooling	The child concerned is not yet schooling. They are in need of food and clothes. <b>Because the biological parents are not working and they without visible means of support. They are not even getting Child Support grant because of not having vital document.</b>
	Tshepo Moatshe	27-07-2018	Male	Not schooling	Those two they are twins Tshepang and Tshepo they are also indeed of vital documents. They are still young. Food parcel was given to them, <b>because there was nothing for them to eat.</b>
	Tshepang Moatshe	27-07-2018	Male	Not schooling	Social Auxiliary Worker also ask some donations for them such as the pampers and the clothes. Those staff they were given to them together with the food parcel and they were happy to receive it. Because all of those children they don't have birth certificate, Social Auxiliary Worker Nozigqibo Mbatha is going to assist them collectively including the biological mother because she also don't have an identity document.
