## **Organist and Choirmaster**

### **Position Description**

St. Mary's-in-Tuxedo is a historic Episcopal church located within the gates of the charming village of Tuxedo Park, New York. The church is the spiritual heart of the community, primarily serving Tuxedo and Sloatsburg, though drawing members from the greater area. We are located one hour north of New York City on the west side of the Hudson River, just north of the New Jersey suburbs of Ramsey and Ridgewood.

We are looking for a part-time organist and choirmaster to lead, contribute, and collaborate in a tradition of quality choral and organ music. Candidates must have knowledge of the sacred choral canon of the western Church, hymns, chant, organ repertoire, and Episcopal/Anglican liturgical practices. This part-time position averages 12-15 hours each week.

The choir consists of 4 paid section leaders along with a core group of 4 to 6 dedicated volunteers. They sing at the 10am Sunday Mass from September through June, with rehearsals preceding the service. During the summer, the organist supports congregational singing and occasional soloists at the 10am Sunday Mass. The Austin pipe organ was installed in 1973 and consists of three manuals and thirty-two ranks. There is a Steinway grand piano in the church and a Steinway upright in the choir room.

Our talented choir hopes to expand their repertoire and skills under the direction of a capable leader who will inspire their passion for sacred music and share in the Rector's vision for excellence in music and liturgy. In addition to the senior choir, we want to encourage active participation by children and youth in the music program.
