

Welcome back St. Chris families!!

While this year is quite different from year's past, there are some things that remain the same. One of those is the support we hope to give our teachers and staff at St. Christopher. Many of you are aware of the events and projects that PTO supports, but for those who are new here is a list of what we support:

Father Daughter/Mother Son events

Teacher appreciation weeks

Teacher wish lists

Back to school Meet and Greet

Treats and raffles for Open House

Aullwood field trip program

Science Fair

2nd grade first communion Pizza party

8th grade scholarships for Graduation Reception

Gift basket for Mardi Gras fundraiser

Teacher conference dinners

Summer Reading program prizes

Catholic school's week events

And lastly, the new PA system in 2018 and the playground flooring project in 2019

All of these things are not possible without your support, so thank you to those families who have supported PTO over the years. This year we do plan to host another larger fundraiser, but at this time because of restrictions, we are still discussing ideas. In order to support our efforts at this time, if you would kindly send \$20 per family marked in an envelope with your family name, we would appreciate it. Please make out checks to St. Christopher PTO. Our plan currently is to move forward with supporting the teachers with classroom items as well as putting together the directory of school families. We hope to have additional information soon around our PTO meetings as well. If you have questions, please feel free to reach out.
