

Dear MVA students, parents and guardians,

This year our annual NAD College Fair will be virtual, the fair will be open to students, their families and school personnel. Learn about each Adventist College and University, experience virtual campus tours, and chat with admission representatives. No matter where you are in the college search process, you can learn more about your options.

For the next two weeks each class will register, research and discuss college options during Flex Period.

**PARENTS:** We encourage you to register yourselves, explore the different options and open the door to discussions about college with your students. College fair takes place on the following dates.

- Tuesday, November 3, at 9 am (Mandatory for Juniors and Seniors)
- Thursday, November 5, at 4 pm (Open for all MVA students and families )

Below we have attached information sent to us by the NAD College Fair. Please take time to review the information for directions on how to register for this Virtual Event. If you have any questions, feel free to contact us.

## 5 Reasons to Register for the Adventist College/University Virtual College Fair

Getting ready for college? There is a lot to consider. We can help! Register today for the Adventist College/University Virtual College Fair. Here are five great reasons why this event is a great fit for you:

1. More convenient: No travel/no time limit. The virtual college fair will remain posted for you to explore at your own convenience.
2. Expert presentations: Topics will include scholarships/financial aid, impact of COVID-19 on the admissions process, the application process (including transcripts and test scores), how to find the best college fit/choosing a major, what to expect the first year on campus, and much more.
3. Safer Way to Connect: Colleges will be available for one-on-one chat and group Zoom meetings to help you learn more about their institution. Check out the virtual college booth for more detailed information or to schedule a virtual campus visit.
4. Great Search Tools: Search the Adventist colleges and universities specifically by name, or search by attributes like campus size or majors offered.
5. Choose Your Screen: Attend this virtual college fair from a desktop, laptop, tablet, or mobile device.

## Finding Your Best Fit College

“To find the right college fit for you, think about what you need in four different categories: academics, campus culture, financial aid, and career services. College fit comes down to your academic, social, and financial needs, as well as your career goals.” – *The Princeton Review*

The Adventist College/University Virtual College Fair is the best place to start or continue your college search. Special search filters allow you to select schools based on attributes that are right for you: geographic region, campus size, campus setting (suburban, urban, etc.). You can even choose schools based on the majors offered! Don't miss this important first step in your college search process. Register today at <https://fairs.adventistcolleges.org>

## What Matters Most to Colleges

Grades? Test Scores? Extra curriculars? What matters most to colleges? Attend the Adventist College/University Virtual College Fair to learn about this topic and more. Six expert presentations are available to help you learn more about the college search and college application process.
