

COVID CARE PACKAGES

WHAT CAN YOU DO?

1

WRITE SOME SWEET NOTES

In this option, you can make ___ notes that will be placed in all the care packages that go out. For this option you will want to try and make each message a little more personal and unique. Don't forget you can add a quote or bible verse!

2

BAKE SOME GOODIES

For this option, you can bake some bite-size goodies to put into the care packages that go out. Try to avoid adding in any nuts so that we don't have to worry too much about allergies. If you do bake some treats that have nuts, please let us know ahead of time and bake a batch without the nuts, just for good measure.

3

MAKE A BATCH OF CARE PACKAGES!

For this last option, you will want to take a look at the *How to Make A Covid Care Package* "manual.". It'll tell you everything you need to know about making the packages. Try to aim for making 3-5 or more packages. :)

HOW TO MAKE A COVID CARE PACKAGE

1

FIND OUT WHICH GROUP WE'RE DOING

Each month, one of three groups will be selected to make care packages for: homeless, elderly, or frontliners.

3

GATHER ALL YOUR MATERIALS

Place all your materials; glow tracks, notes, baked goods, etc. in your care packages

see What to Put In Your Package for..

2

WRITE A LIL' MESSAGE

Compose a sweet little note that you can duplicate as many times as desired to place in each of your packages. You can add in a nice quote or an inspirational bible quote

(loosely follow the template at the left)

Hi my name is _____
I go to MVA and I
just wanted to let
you know.....

4

BRING THEM TO SCHOOL

On the supply pick up date **9/18** when you come to school, bring your care packages and leave them with Mr. Lee
