

Welcome to a new Toastmasters year with new leadership opportunities! Opportunities to put *Members before Numbers*. Would you like to help with this?

Great – because I want your help! I want your help to start new clubs, I want your help to make those new clubs strong and I want your help to get our struggling clubs back on track. I also want to help you get your ALS credit and your DTM award by June 2019! Sound like a win-win deal? It is by becoming a club sponsor, mentor or coach you can help our members and get your ALS credit.

You are not alone

Let me introduce you to the Club Growth Director Team (CGD) who is here to support you:
