

PTA is a membership association. Your membership entitles you to a plethora of benefits at the state and national level and adds your voice to our advocacy efforts. For example, did you know if you are a PTA member, you can get in to LegoLand at a discount rate? (Check out our website for more details) Sharing the benefits and discounts available to members is another way to help get people to join. Another way for have members join is to remember to "ASK" people. Membership is year-round, so you can ask people to join year-round.

This month we are doing a challenge to celebrate our 98th year at Florida PTA. We are asking that at least 98 units in our larger counties report and pay dues. For our smaller counties we are asking for an increase in at least 98 members throughout the county.

If you have not submitted any dues yet or have submitted some but not all of them, now is the time. Help us reach our goal! Do you know how easy it is to pay membership dues with MemberHub? It is just a click of a button. Remember you should pay membership dues monthly to remain a unit in good standing. If you need any help or are unsure what to do, reach out to your county council or region representative and they can help guide you through MemberHub. You can also reach out to the membership committee for assistance ([membership@floridapta.org](mailto:membership@floridapta.org)). We are here for you!

Help us continue to grow your family and ours!

Jessica Summers  
Membership Chair
