

## School Supply Drive

Whether heading to kindergarten or starting community college, the youth in our care are gearing up for the 2020-2021 school year. These youth may be attending a new school after being placed in a foster home, may be attending one of our therapeutic schools to address their trauma, or may be pursuing post-secondary education after aging out of foster care. A backpack filled with new school supplies can help set these students up for success.

Thanks to wonderful donors like you, we were able to provide supplies to over 450 students and to each of our therapeutic Day Treatment classrooms last year. You were so generous that we have leftovers of some commonly needed supplies (e.g., pencils, crayons, glue) that we can use for this year.

We hope you will consider donating some of the items below to help make this school year the best yet for even more children. Items marked with an asterisk are the items we need the most.

- Backpacks\*
- Spiral notebooks (wide\* or college ruled)
- Composition notebooks\*
- Two-pocket folders\*
- Scissors\*
- Markers
- Colored pencils\*
- Protractors
- Rulers
- 3x5 index cards\*
- Scientific calculators\*
- Gift cards to Wal-Mart or Target to purchase school uniforms
