

# *Can You Help the Library?*

Take your redeemable cans and bottles to a supermarket (Stop & Shop, for instance) or Cotuit Liquors, where there are automatic machines that will take your cans and give you a slip that you exchange for money. Redeem your materials and instead of waiting to turn in your machine-generated slip to the store cashier, just drop it off at the Library at your convenience, and we'll take care of it.

At five cents a can/bottle, we need to redeem 100,000 items to reach \$5,000 by June 30, 2021.
