## In Honor of our Veterans

In honor of our Veterans, each Memorial Day and Veterans Day are set aside to pay tribute to those who put their lives on the line or our freedom. You will find all the service flags flying 24/7 365 days a year.

The Red River Valley Veterans Memorial is a place for reflection, remembrance and gratitude. It is our hope that this will also be a place to educate present and future generations of the sacrifice made by members of their own family and their community to secure the freedoms that we all enjoy. May it be a reminder that "Freedom is not Free."

This impressive memorial is located next to the Eiffel Tower near Love Civic Center. The memorial's centerpiece is the Ring of Honor, an elevated ring of granite walls containing the names of all the men and women from the five county Red River Valley area that made the ultimate sacrifice. Surrounding the Ring of Honor are granite Conflict Walls, etched with information and graphic depictions of each war or conflict.

There are over 2,700 granite 1' x 2' pavers that honors all veterans no matter where they live. There are 54 Family Benches, 18 Ornamental Tree Pavers and 106 Specialty Pavers installed at the memorial. Two bronze statues with murals have been installed to honor Gold Star Families and War Dogs and their Handlers. We have a computer Kiosk that is used for visitors to fill out our Guestbook and used to find friend or family members that have their names engraved at the memorial.

The last phase includes more Family Benches, Veteran Pavers, Choctaw Code Talker Monument and static displays. In 2023 an AH1 P Cobra Attack Helicopter built in 1977, an M115 8" Towed Howitzer from 1944, 1952 M211 Deuce and a Half, and a 1970's era M113 A1 Armored Personnel Carrier APC) was installed. We are building a 6,000 sq ft Museum next to the Memorial. Donate by clicking "Building" QR Code below.
