LENT AND EASTER 2024

GOVERNMENT STREET PRESBYTERIAN CHURCH

Young Worshipers Challenge

Lent is the 40 days before Easter when Christians all over the world prepare their hearts for Easter. This year during the season of Lent, challenge yourself to **attend and actively participate** in every worship service!

Your **mission** is to complete this packet during worship each week and return it to church on **Palm Sunday, March 24th**. If you can't make it to church in person one Sunday, you can watch the service via live stream. All students who complete the challenge will be recognized on Palm Sunday and will earn an **ice cream gift certificate**!
