

SMART LOVE[®]

FAMILY SERVICES

Dear Smart Love Gala Guest:

We are so excited to see you at our 20th Anniversary Gala on Friday March 11 at 6p.m. Here are a couple of health reminders as well as logistics to ease your access to the event and ensure everyone's enjoyment.

Health and Security:

Be sure to bring both your photo ID and your Covid-19 vaccination card or a photo of your card on your phone with you to the event. If you are having symptoms, please let us know you will not be able to make it by emailing mike.conway@smartlovetfamily.org.

When you enter the Aon Center (use south ground floor entrance at 200 E. Randolph St) you will need to check in at the security desk in the main lobby and show your photo ID to gain access to the Mid-America Club.

Once you exit on the 80th floor for the Mid-America Club, you will be asked to show your vaccination card and your photo ID. A photo on your phone of your Covid-19 vaccination card will work also.

Please note that wearing a mask is your individual preference.

Parking Logistics:-

If you are driving, we encourage you to use Spot Hero or Park Whiz to find nearby parking at the best rates. There is parking in the Aon Center building but the directions on the parking apps are not always accurate. Instead, please click [here](#) for directions to the Aon Center parking garage if you wish to park there - please follow the written instruction rather than the diagram due to road closures. Rates after 4 p.m. are reasonable.
