## Why Vaccinate?

- **It's the law!** All dogs and cats over 4 months old are required to be vaccinated against rabies.
- **Protect your pet from disease.**
- **Protect your family.** Sick pets are more likely to harm their human family members.

## Why Microchip?

- 1 in 6 pets get **lost**
- Microchipped dogs are **2 times as likely** to be reunited
- Microchipped cats are **20 times as likely** to be reunited
