

Operation G.O.O.D. Summary

Kindergarten – 8th grade students

The time has come for our annual spring fundraiser! Operation G.O.O.D. stands for Giving of Ourselves Day. It is Heritage Christian School's opportunity to send students out into the community to serve others. On Friday **morning**, May 10, we will be serving our community through various volunteer activities. Parent volunteers will be assigned a group of students to transport and chaperone for the event.

HCS students will collect sponsorships in the form of **donations** for this service from the community to support Heritage. **All donations are due by Friday, May 3, at 8:30am.** Please **plan ahead** in asking family members to send their donations to you **early**. The proceeds go toward Heritage's general school budget. Some specific ways this money will help Heritage include:

- *the purchase of textbooks and classroom supplies
- *provide additional funding for programs such as Art, P.E., Band, and Choir
- *provide partial tuition assistance for families in financial need

Your child (**Kindergarten – 8th grade**) will bring home a manila envelope today that includes both a donation and guide sheet to help your child ask for donations. PreK students are also invited to raise donations and may pick up a manila envelope in the school office. Additional envelopes are available in the office and students are encouraged to turn in donations early. Envelopes turned in to the office **need to already have the correct money enclosed**. Please carefully look over this sheet before your child asks for donations. **PARENTS: PLEASE TOTAL YOUR CHECK AND CASH COLUMNS TO ENSURE THE PROPER AMOUNT OF CASH AND CHECKS ARE ENCLOSED IN THE ENVELOPE! ALSO REMEMBER TO SIGN AT THE BOTTOM.**

School Goal = \$24,850

(142 K-8th grade students @ \$175 each)

***IF** we reach our school goal we will have an **ALL SCHOOL CELEBRATION** (PreK will participate until their dismissal time) on Friday, May 10, in the afternoon (with a rain date of Friday, May 17, if needed). We will enjoy a pizza lunch (with juice box) outside on the playground and participate in other fun activities (to be determined...).

Class Goals = number of students in class x \$175

Kindergarten (14 students) = \$2,450

1st Grade (18 students) = \$3,150

2nd Grade (13 students) = \$2,275

3rd Grade (15 students) = \$2,625

4th Grade (17 students) = \$2,975

5th Grade (18 students) = \$3,150

6th Grade (15 students) = \$2,625

7th Grade (17 students) = \$2,975

8th Grade (15 students) = \$2,625

*If a class reaches its goal, they will receive a class reward (pizza party, picnic at the park, etc.).

*The top selling class (goes by % of goal raised so that it takes into account the number of students in a class) will receive an **AWESOME** class reward that they chose (this will take the place of the reward they had chosen if they reached their class goal).

Individual Goal = \$175 per student

*Any student that brings in \$500 or more will eat lunch at Pizza Ranch on **Monday, May 13, from 11:45-12:45!** No hot lunch refunds will be given for this day, so please do not order if you think your child will reach this goal.

*Any student that brings in \$1,000 or more will get to eat lunch (including one friend or sibling) with **THE TEACHER OR OFFICE STAFF MEMBER OF THEIR CHOICE!**
