Members, Families and Friends

## Light In the Darkness

**Jesus reminds us that He is the light of the world. When problems or difficult feelings entangle your heart, ask God to help you see the good things that are ahead. He will light the way to a better day.**

**Lord you are my beacon in life's storms. You are always there when I need You and for that I am forever grateful.**

## We pray for:

- Those quarantined and currently ill or recovering from COVID-19 and we mourn those that have passed
- We pray for those who work in the industries that service the public and are exposed to risk daily
- We pray for the first responders, service men and women and the sacrifices they make for our country and to keep us safe

- We pray for all the caregivers that assist those in elder care facilities and other facilities that maintain lives when families can't.
- Pray for those who have suffered or suffer from inequalities of justice
- We pray for the ones that are or feel isolated and alone
- Pray for those who are suffering with life and death challenges daily and the love ones that are caring and by their side.
