

PRAYERS OF THE PEOPLE

Members, Families and Friends

February 28, 2021

God, in this season of Lent, we're reminded of our own difficulties and struggles. Sometimes the way has seemed dark and our lives have been touched by grief and pain. In the midst of our weakness, we ask that you be strong on our behalf. Lord, rise up within us, let your Spirit shine out of every broken place we've walked through. We choose to give you thanks today and believe that this season of darkness will fade away. We thank you for the victory that is ours because of Christ Jesus, and we are confident that you have good still in store for our future and that you are at work right now on our behalf. We praise you, for you make all things new. In Jesus' Name, Amen

WE PRAY FOR:

- **Those quarantined and currently ill or recovering from COVID-19 and we mourn those that have passed.**
- **We pray for those who work in the industries that service the public and are exposed to risk daily.**
- **We pray for first responders, service men and women and the sacrifices they make for our country and to keep us safe.**
- **We pray for all the caregivers that assist those in elder care facilities and other facilities that maintain lives when families can't.**
- **Pray for those who have suffered or suffer from inequalities of justice.**
- **We pray for those who feel isolated and alone.**
- **Pray for those who are suffering with life and death challenges daily and the love ones that are caring for them and are by their side.**
