

WCIRB proposing increases to many Dual Wage classifications for 2020!

- a. The WCIRB is in process of issuing its Regulatory Filing for 2020.
- b. The regulatory changes will impact insured employers as of their anniversary rating date in 2020.
- c. Based on wage inflation since the recovery, several dual wage classifications will be increasing, some as much as \$3 per hour.
- d. You can see a table of the proposed increases on page 77 of this document:
